Due to the threat of possible severe weather system an Emergency meeting of the Walker County Commission was called to be held in the Commission Meeting Room of the Walker County Courthouse Annex #1, Jasper, Alabama at 1:00pm on the 30th day of March, 2025. After allowing an appropriate delay for the attendance of fellow Commissioners, by 1:15pm, Chairman Miller was still the only member of the Walker County Commission to appear for the meeting.

Accordingly, and pursuant to the Chairman's special authority in inclement weather situations, the Chairman called the meeting to Order.

With the EMA Director, Regina Myers, in attendance and upon her advice concerning the potential for damaging severe weather, Chairman Miller gave the order – by default – to delay the opening the County Courthouse and Annexes for all non-essential offices, including Solid Waste Department, until 10:00am on Monday, March 31, 2025. Additionally, Chairman Miller was given the authority to further delay the opening of these offices, if the weather so demanded.
