SERVICE TERMS AND CONDITIONS

By signing below, I understand and agree to the following:

- Garbage pickup is once a week and should contain only household garbage
- Bag and tie the garbage before placing in container(s)
- Place containers at the end of your drive before 6 a.m. on designated pick up day
- Containers should be placed at least 5ft apart from any surroundings including : mailbox, fence, poles, etc.
- Please inform us of any address, phone, email, cancelling service or service change
- Holiday schedules are posted in the local newspaper and available on our face book page (Walker County Solid Waste)
- We service only one household per container(s) No sharing of service
- Resident is responsible for the loss or damage to container(s)
- Rates and fees are subject to change
- Customer must notify county if terminating service
- If your container is damaged, needs new wheels or a lid, or has been stolen, please contact the office to have a work order submitted. For same-day service, you may also bring it to the Walker County Landfill to have it swapped out.
- **Even if you do not receive your bill, payment is still required, as the bill is provided as a courtesy.**
- Billing for services is at the end of each quarter unless paid yearly. This may be paid via mail with a check or money order, debit or credit card (will charge 3.382% service charge)
- Cash payments should be made at the Walker County Solid Waste Office
- Service will be discontinued if payment has not been received by the due date. Customer is legally responsible for all past due payments and cost of collection and for any service rendered after due date for failing to notify county to discontinue service
- Service will be discontinued if payment is returned dishonored and subject to a \$30 return item fee
- To reinstate a discontinued service the following conditions must be met
 - Delinquent balance must be paid in full
 - Current balance of service must be paid in advance

CUSTOMER CERTIFICATION

I certify that the information provided on this application is true and accurate. I understand and agree to comply with all Walker County Solid Waste Department rules, regulations, rates, and policies governing residential waste collection service.
